Name: ...

Institution: ...

2. Reviewed review – title

...

3. Evaluation

(choose from: definitely yes / rather yes / rather no / definitely no)

<input type="checkbox"/> Does the review deal with philosophical issues?	
<input type="checkbox"/> Are the interpretations/conclusions adequately justified?	
<input type="checkbox"/> Is the review's composition (structure) satisfactory?	
<input type="checkbox"/> Is the language side (style, etc.) satisfactory?	
<input type="checkbox"/> Is the choice of keywords appropriate?	
	<i>(mark one)</i>
<input type="checkbox"/> I estimate the scholar value of the review as:	high mediate low

Conclusion – I think that the review submitted for evaluation (*mark one*):

- can be published without changes
- can be published with minor changes
- can be published after significant changes
- should be rejected

4. If corrections in the review are recommended (*mark one*):

- I would like to receive the corrected review again for my opinion
- I do not require re-reviewing the review

*Please provide the reasons for your opinion on the next page.
The Reviewer's comments will be forwarded to the author anonymously.*

5. Reasons (*please provide reasons in each of the following sections*)

General comments:

Strong points:

Weak points:
