2. Reviewed discussion – title

...

3. Evaluation

(choose from: definitely yes / rather yes / rather no / definitely no)

| | |
|--|------------------------|
| <input type="checkbox"/> Does the discussion deal with philosophical issues? | |
| <input type="checkbox"/> Are the positions/interpretations/conclusions presented in the discussion adequately expressed and justified? | |
| <input type="checkbox"/> Is the discussion interesting and does it add anything new to the issues raised? | |
| <input type="checkbox"/> Is the language side (style, etc.) satisfactory? | |
| <input type="checkbox"/> Is the choice of keywords appropriate? | |
| | <i>(mark one)</i> |
| <input type="checkbox"/> I assess the value of the polemic as: | high mediate low |

Conclusion – I think that the discussion submitted for evaluation (*mark one*):

- can be published without changes
- can be published with minor changes
- can be published after significant changes
- should be rejected

4. If corrections in the discussion are recommended (*mark one*):

- I would like to receive the corrected article again for my opinion
- I do not require re-reviewing the article

*Please provide the reasons for your opinion on the next page.
